## Detailed Description of the Project

- The subject property is 47.6 acres, consisting of three parcels. The Ella Bates Pasture is 14.4 acres, the Wheelwright Pasture is 21.2 acres, and the Barn Pasture is 12 acres. These properties are located in the Bates Lane area in the West End of Scituate. The Ella Bates Pasture and the Barn Pasture both border the Scituate Cohasset town line. The Wheelwright Pasture abuts the Bates Lane "T", and all three parcels are surrounded by or abut previously protected conservation land.
- These properties have been owned by the Wheelwright family and farmed by them for many, many years. We are currently researching plot plans for the parcels. The deed for the Barn Pasture refers to a plan done in the early 1900's by Tower and our attorneys are trying to locate that plan through engineers who purchased Tower Engineering.  
The other 2 parcels are shown on another plan which was done in 1970 but not filed. We hope to have engineering plans to show you when we meet to discuss the project.
- The applicant requests that all 3 parcels be purchased at this time and does not wish to sell any of these parcels separately.
- The acquisition of these parcels will benefit the town of Scituate as follows: This acreage will be part of the largest remaining unfragmented forest in Scituate. Currently, there are approximately 250 acres of conserved forest in the Bates Lane area. This would add another 47 acres, and further protect this important greenway area for recreation, wildlife habitat preservation, and water resource protection. This land is primarily uplands. An Environmental Report is being written by Danena Engineering and will be made available to the committee at a later date. Sections of these parcels are in a Water Resource Zone.
- This project is consistent with and supports the goals of the Scituate Open Space and Master Plans.
- The amount of \$17,000/ac requested has historically been the amount supported by CPC appraisals for open space acquisition in this area.
- Ella Bates and Wheelwright Pastures could be developed through an easement off Indian Winds. Barn Pasture could be developed with access through property on Mill Lane in Cohasset currently owned by Dustin Wheelwright.
- The Bates Lane Conservation Area has over 3 miles of active trails, which are utilized by a broad range of the community. Boy Scout Troops have been involved in Eagle Scout projects on the trails and have built kiosks. The Scituate Recreation Department sponsors walks seasonally. A bridge across a large rip rap area was built in the Spring of 2009 by volunteers with funding from the Carl Pipes Memorial Fund and Maxwell Conservation Trust. This has improved accessibility to that particular area, especially for seniors. Maxwell Conservation Trust has had the trails mapped and marked for ease of navigation.

- The applicant requests that Maxwell Conservation Trust hold the Conservation Restriction for these parcels.

### **Project Budget Information**

- The Cohasset Water Commissioners have been approached regarding the purchase of this acreage, and they have indicated that they will not be able to contribute toward this purchase.
- Included in this project is reimbursement to Maxwell Conservation Trust for legal costs associated with this project, up to \$5,000.
- The applicant is requesting that any surveys required by CPC be funded by the committee.

In the event said sums are maintained in an interest bearing account, the party entitled to the deposit shall be entitled to the interest. In the event that Escrow Agent elects to place the funds in an interest bearing account, Buyer agrees to execute a form W-9 and any other forms reasonably required by Escrow Agent's bank to insure that interest on the deposit is properly reported according to Internal Revenue Service regulations.

21. **BUYER'S DEFAULT:** If the BUYER shall fail to fulfill the BUYER'S agreements herein, all deposits made hereunder by the BUYER shall be retained by the SELLER as liquidated damages and that shall be the SELLER'S sole and exclusive remedy at law or in equity for any default by BUYER under this agreement, provided that Buyer has delivered to Seller the copies of survey reports and plans and soil and other geological tests and reports and title abstracts.

1. The undersigned hereby DECLARES that he and his successors in trust will hold any and all property of every name, nature and description and any interest in any of the same that may be now or hereafter acquired by or conveyed or transferred to the undersigned or his successor or successors, as Trustee or Trustees hereunder, for the sole benefit of the beneficiaries hereunder from time to time, upon the terms, conditions and provisions, and subject to the limitations, hereof.

2. The term "Trustee" as used herein, shall mean the person or persons who from time to time shall be serving as Trustee or Trustees hereunder and all of the rights, powers, authority, privileges and immunities provided for hereunder for the Trustee may be exercised by such person or persons as shall appear to be the Trustee or Trustees at such time from the records of the Registry of Deeds or Registry District of the Land Court in which this Trustee shall be recorded or filed.

3. The beneficiaries of this Trust are the persons listed as the beneficiaries in the Schedule of Beneficiaries this day executed by them and the Trustee and filed with the Trustee and his successors and assigns, as herein provided for.

The beneficial interests of the Beneficiaries are as may now, or hereafter, be set forth in said Schedule of Beneficiaries, which shall be from time to time amended to reflect any change in the identity of the beneficiaries or in their respective interests hereunder. A certificate or other writing signed by the Trustee certifying or asserting to the identity of the beneficiaries or stating that any action has been approved by the beneficiaries shall be conclusive in favor of any person dealing with the Trustee or with any of the Trust property, and any such person may rely on such certificate without further inquiry.

4. Any beneficiary hereunder may serve as a Trustee.

5. This Trust shall be known as the **Wheelwright Family Realty Trust** and any transactions pertaining to its affairs may be conducted in that name.

6. The Trustee's Address is: 321 A Beechwood Street, Cohasset, MA 02025

7. The powers, duties and authority of the Trustee shall be as follows:

a) To hold the property transferred to, or acquired by, the Trustee, and to take such action with respect to any such property as from time to time is specifically directed by the Beneficiaries, provided that the Trustee shall not be required to take any action as so directed which will in the opinion of the Trustee involve the Trustee in any personal liability, unless the Trustee shall be first indemnified to the Trustee's satisfaction;

b) Without further direction of the beneficiaries, to do all things required to prepare the trust real estate for sale and to invoice, collect and receive from the beneficiaries their pro rata share of the expenses connected therewith.

c) To the extent of the funds in the Trustee's hands, from time to time to pay all taxes assessed against the Trust property, and any other proper obligations of the Trust;

d) To insure the Trust property against loss or damage by fire and other casualties in such amounts as the Trustee deems necessary;

e) Upon termination of the Trust, the Trustee shall thereupon convey the right, title and interest of the Trustee in the remaining trust property to the said Beneficiaries as tenants-in-common, the undivided interest of each Beneficiary to be proportionate to his or her respective Beneficial interest in the Trust, and similarly to distribute any funds or other assets which the trustee may then have in his possession.

8. This Trust shall terminate on the occurrence of any one of the following events:

a) The expiration of ten (10) years from the date hereof;

b) Delivery at any time to the Trustee of a notice of termination signed by any one or more of the Beneficiaries with a majority interest; or

c) Delivery at any time to the beneficiaries of a notice of termination signed by the Trustee.

9. This Declaration of Trust may be amended from time to time by an instrument in writing, signed by all of the Beneficiaries, provided that such amendment shall not become effective until the instrument of amendment signed by all of the Beneficiaries and acknowledged by at least one of them, or a certificate of amendment signed and acknowledged by the Trustee, shall be recorded at the Registry of Deeds.

10. Any Trustee hereunder may resign at any time by an instrument in writing signed and acknowledged by such Trustee and delivered to the other Trustee(s) then serving, if any, and/or to each Beneficiary. Such resignation shall take effect on the later of the date specified therein or the date of the recording of such instrument with the Registry of Deeds.

a) Succeeding or additional Trustees may be appointed or any Trustee may be removed by an instrument or instruments in writing signed by all of the Beneficiaries, provided in each case that a certificate signed by any Trustee naming the Trustee or Trustees appointed or removed and in the case of an appointment, the acceptance in writing by the Trustee or Trustees appointed, shall be recorded in the Registry of Deeds. Upon the recording of such instrument, the legal title to the Trust Estate shall, without the necessity of any conveyance, be vested in said succeeding or additional Trustee or Trustees, with all the rights, powers, authority and privileges as if named as an original Trustee hereunder.

b. In the event there is no Trustee, either through the death or resignation of a sole Trustee without prior appointment of a successor Trustee or for any other cause, a person purporting to be a successor Trustee hereunder may record in the Registry of Deeds an affidavit, under pains and penalties of perjury, stating that he or she has been appointed by all of the Beneficiaries a successor Trustee. Such affidavit when recorded, together with an attorney's certificate under M.G.L. c. 183 section 5B, stating that such attorney has knowledge of the affairs of the Trust and that the person signing the affidavit has been appointed a Trustee by all of the Beneficiaries, shall have the same force and effect as if the certificate of a Trustee or Trustees required or permitted hereunder had been recorded and persons dealing with the Trust or Trustee Estate may always rely without further inquiry upon such an affidavit as so executed and recorded as to the matters stated herein.

11. Any person dealing with the Trust property or the Trustee, may always rely on a Certificate signed by any person appearing from the records of such Registry of Deeds or Certificate of Title to be a Trustee hereunder, as to the identity of the Trustee or Trustees or Beneficiaries hereunder, or as to any direction by the Beneficiaries, or as to the terms of this Declaration of Trust or any amendment thereof, or as to the existence or non-existence of any fact or facts, which constitute conditions precedent to action by the Trustee or which are in any other manner germane to the affairs of the Trust. The termination of the Trust shall not be deemed to restrict the Trustee's power and authority to transfer and convey all property held by the Trustee to the Beneficiaries.

12. No Trustee shall be liable for any action or default whatsoever of any other Trustee or of any agent, employee or representative of the Trustee nor shall any Trustee be liable for any error of judgment or for anything done or omitted by such Trustee in good faith; and each Trustee shall be answerable and accountable only for his or her own individual receipts and for his or her own individual acts, neglects and defaults constituting a breach of trust knowingly committed by him or her in bad faith; and the Trustee and each agent, employee or representative of the Trustee shall be entitled to reimbursement out of the Trust property for his or her reasonable expenses and outlays and shall be indemnified and reimbursed for any personal loss, cost, liability, expense or damage by him or her or any of them incurred or suffered in the administration of the Trust property or in conducting any business or performing any act authorized or permitted by this Trust, but such indemnity or reimbursement shall be limited to the Trust property, and no beneficiary shall be personally or individually liable therefor to any extent.

13. Every act or thing done and every power exercised or obligation incurred by a Trustee in the administration of this Trust or in connection with any business property or concerns of this Trust, whether ostensibly in his or her own name or in his or her capacity as Trustee shall be done, exercised or incurred by him or her as a Trustee and not as an individual; and every person contracting or dealing with the Trustee or having any debt, claim or judgment against them, shall look only to the funds and property of the Trust for payment or satisfaction; and no Trustee or agent of the Trust shall ever be personally liable for or on account of any contract, debt, tort, claim, damage, judgment or decree arising out of or in connection with the Trust property or the conduct of the business of the Trust. A stipulation or notice to this effect may be inserted in any contract or instrument executed by the Trustee or their agents, but the omission thereof shall not render the Trustee or agent personally liable.

14. Wherever in this instrument the context so required the singular number includes the plural, and the plural number includes the singular, and the expression Trustee or Trustees shall refer to the Trustee or Trustees for the time being.

WITNESS the execution hereto under seal, in duplicate, by the Trustee hereunder, the day and year first above written.
