Dear CPC members,

The Conservation Commission has voted to support the purchase of the Bjorkland property off Bates Lane for open space. This property abuts town-owned property and has existing trails on it that will connect nicely with trails on the town property. The property is in an area identified by the Scituate Open Space Plan for purchase since the 1980s. We would like CPC to recommend this property for purchase at the Spring town meeting.

Sincerely,

A handwritten signature in black ink that reads "Penny Scott-Pipes". The signature is written in a cursive style.
