Dear CPC members,

The Conservation Commission has voted to support the purchase of the Wheelwright property off Bates Lane for open space and passive recreation. This property abuts town-owned property and has existing trails on it that will connect with trails on the town property. It also has been identified in our Open Space Plan for acquisition. In keeping with the Commission's goals and objectives, we would like CPC to recommend this property for purchase at the Spring town meeting .

Sincerely,

Penny Scott-Pipes
